Dear Friends;

The Kamloops-Shuswap Peace Council is an organization dedicated to world peace and disarmament. We are affiliated to the B.C. Peace Council, the Canadian Peace Congress, The Canadian Peace Alliance, and the World Peace Council, which has members in virtually every country in the world.

On the local level, we have been successful in organizing the April "Walk for Peace", Hiroshima/Nagasaki Vigils, Cruise missile demonstrations, Tools for Peace to help the people of Nicaragua, the Anti-war Toy Campaign, and this year, we will be hosting a group of Montreal teenagers (SAGE), who are currently touring the country to talk to other teenagers about nuclear war and what they can do to prevent it. We also show films and tape slides to unions, schools, and other groups to educate people to the dangers of nuclear war and encourage people to help us find the solutions to the nuclear age. We have a T.V show on Channel 10 and publish a newsletter bi-monthly.

All these activities require members and money; therefore we are asking that you join us in an organizational membership at \$25.00 per year, and to send a delegate or delegates to our monthly meeting at the North Kamloops Library on the second Monday of each month, 7:30 P.M..

Yours for peace,

Charmian Ferguson
