Peace Umbrella Report

(1) Ordered balloons through "End the Arms Race" - Vancouver. - Multi-coloured with Dove insignia. Got much better price through END as they are ordering in huge quantities - so they are selling us more balloons for same price (\$200 approx.) I had to send personal cheque to cover the amount, as they wanted cash up front.
- Get bookkeeper's name, # so chum can be reimbursed.

(2) Helium - Someone will have to order helium - (be sure to ask for balloon adapter) & be in charge of pick up & return - We've dealt with _____ in the past, & they inferred that they gave deals to Church, schools, etc. but didn't consider KSPC in that category last year. Maybe someone from Playshores would have more influence & get us a deal, let them know you're church based. Dought has done it in past, but doesn't want to this year due to bad luck.

~~- Pd by Chum. @ \$200 Who bookkeeper? #~~

(3) Walk Permit - We have. Have to look after Marshall's etc. Dany, Bruce & Bid will head up Cttee for that.

(4) Bandshell is booked & permit picked up
Speakers, Mike - have to pick up permit at Park's & Rec - 611 Lansdowne. Also get

permit from "Clint" ? (I think he said)
re: speakers & mike. - They have to go to

how to set up but he has to take them
down & check for damage.
