Mayor John Dormer and Council  
7 Victoria Street West  
Kamloops, B.C. V2C 1A1

Dear Mayor Dormer and Council:

Kamloops-Shuswap Peace Council is hosting a unique group of teenagers from Montreal this month.

These four serious students, who are members of Students Against Global Extermination (SAGE), have taken a year off their studies to tour across Canada to talk to other teens about the arms race, the threat of nuclear war, their fears and concerns, and lastly, to help the students realize that they can take a positive role in shaping the future for a non-nuclear world. They leave the students with hope and confidence for their future.

SAGE has been widely received and highly praised for their work wherever they appear.

SAGE will be appearing at the South Central Health Unit, 519 Columbia Street, on Thursday April the 16th at 7:30 p.m., to which we cordially invite the Mayor and Council attend. We assure you that it will be well worth your time.

Yours for peace,

Charmian Ferguson
