

## SOME SUGGESTED ACTIVITIES

### ESSAY TOPICS:

Compare the benefits to society of a million dollars spent on the military with same amount spent on education, recreation, health, etc.

Discuss the current status of the nuclear arms race, and suggest some possible futures for the world in light of this race.

"Nuclear weapons are a deterrent to war." Discuss this statement, pro or con.

"What can I do to stop nuclear war, I am only one person." Outline the history of the peace movement, in particular the Ban-the-Bomb movement, then answer that question.

### DEBATE TOPICS:

Limited, survivable nuclear war is possible.

Disarmament is the path to peace.

As more countries acquire nuclear weapons, the chances of war decrease.

### OTHER ACTIVITIES:

Design and execute posters for U.N. Disarmament Week, Nuclear Awareness Day or other related days.

Participate in the organization of some related event such as Nuclear Awareness Day.
