P.O. Box 973 Kamloops, B.C. V2C 6H1 372-8944

May 25, 1981

Mr. Claude Richmond, MLA
Legislative Buildings
Victoria, B.C.

Dear Mr. Richmond,

Enclosed you will find a copy of a petition issued by the Canadian Peace Congress and circulated in the Kamloops area by members of the Kamloops-Shuswap Peace Council, and a copy of a notarized statement attesting to the fact that one thousand signatures were attached to this petition.

The signed petitions have been forwarded to the Canadian Peace Congress for presentation to the government of Canada at some future date.

Almost without exception, the signatories to this petition are residents of your constituency, and we are hopeful that over the summer months we will be able to forward thousands more names from this area.

We have forwarded this information to you in the belief that as MLA for Kamloops you will be interested in the fact that at least one thousand of your constituents have taken the time to read and lend their support to this petition.

Yours for Peace,

Kathy Gidora
