OFFICE OF THE MAYOR

PROCLAMATION

WHEREAS, many environmental, peace, labor, church and student organizations in the City of Kamloops have joined forces with other concerned organizations around the world in declaring 'International Nuclear Awareness Day' and

WHEREAS, the development of nuclear energy in its present form gravely endangers the public health and safety and threatens the environment with irreparable damage, and

WHEREAS the continuing folly of the escalating nuclear arms race threatens the whole of humanity with extinction and has seriously undermined international stability, and

WHEREAS City Council feels a responsibility to the people of Kamloops in supporting expressions of public concern over the development of nuclear energy and nuclear armaments.

THEREFORE, as the Mayor of the City of Kamloops, I hereby proclaim the day of April 25, 1981, as

"Nuclear Awareness Day"

R.T. Chalmers
Acting Mayor
