Dear Seth,

Please excuse the delay in responding to your request for an expression of support from the Canadian Home and School and Parent-Teacher Federation. At its mid-term meeting in December, the Executive Committee of the Federation agreed on full, official support for SAGE and the Youth Nuclear Disarmament Tour. We're very excited about the reports of what has been happening. Enclosed is a report from a provincial Home and School organization.

Would you send an update on which schools you will be visiting in Western Canada to the provincial Home and School offices in Manitoba, Saskatchewan, Alberta and British Columbia and to myself as soon as possible.

Keep up your fantastic efforts. Happy New Year!

Yours truly,

Sonja Anderson pp *JKM*
