Dear Tools for Peace supporter:

On behalf of Tools for Peace and the people of Nicaragua,
I would like to thank you for your donation to our project.

This year Tools for Peace has entered into a new collaborative
relationship with INTER PARES, who will be issuing this tax
receipt to you. Although INTER PARES may be less known to our
Tools for Peace donors, it has been active as a non governmental
organization for many years in solidarity work and projects in
Central America and the Caribbean, and has strongly supported
Tools for Peace in the past.

Again, I would like to express our appreciation for your
contribution. By giving to Tools for Peace, you are joining
your voice with thousands of other Canadians in the call for
a lasting and just peace in Central America.

Sincerely,

Phil Westman
