

CONVENTION RECOMMENDATIONS

Tools for Peace Recommendation

That Interior peace groups present at this conference, if not already involved with the Tools for Peace Campaign, approach those in their communities or areas who are, offering them all the assistance necessary in their campaign.

Interior Regional Organization Recommendations

1. That Interior peace groups present at this conference immediately form a regional organization.
2. That, upon passing of the first recommendation, the name of the regional organization be: INTERIOR PEACE COALITION.
3. That work begin immediately to define the Interior Region and to bring groups within that region into the new organization.
4. That we elect an executive for the regional organization as soon as possible.
5. That each Interior peace group elect one delegate as representative to the regional organization.
6. That the executive, along with the delegates from groups represented, proceed in formulating a constitution of policies and responsibilities for the regional organization.
