## CHAIRMAN'S MESSAGE

Dear friends of the Alumni Association,

The UCC Alumni Association, the board of directors, volunteers and staff are committed to their responsibility of maintaining contact with UCC's alumni. The 1995-96 year has been a constant challenge to the alumni association in its dealings with an ever shrinking budget and an increase in number of alumni. However, with dedicated volunteers, directors and a diligent staff, the Alumni Association is able to report another successful year and we are pleased to present this Annual Report.

This past year the Alumni Association played a major role in launching *Chapter 2000* - UCC's 25th Anniversary Library Campaign. Our role in this campaign was made easier by the strong support from a campaign cabinet team, corporations, businesses and the people of the Kamloops area.

The economy of Kamloops has been boosted by the growth of UCC over the years and we will be seeing further growth with the completion of the new Allied Industrial Technology building scheduled to open in September of 1996. The UCC community is dedicated to support the new developments on campus and the Alumni Association is proud to be part of that support.

In this coming fiscal year, the Alumni Association will look for ways of reducing the cost of publishing the "NETWORK" newsletter. The challenge we face is to produce a cost effective publication with a growing data base. We are committed to producing a high quality publication and ask you to watch for the "new" edition of the NETWORK with its new design concept to be printed in the fall of '96.

A very special thank you to the alumni team who achieved our goals so faithfully over the past year.

Yours respectfully,

A stylized, handwritten signature of James H. Fulton.

James. H. Fulton  
UCCAA Chairman

# EXECUTIVE DIRECTOR'S REPORT

**1995** was a milestone year in the history of UCC as it celebrated its 25th Anniversary. Several events were planned over the year to celebrate this milestone, one of which was **Homecoming Weekend** in September. The Alumni Association played a major role in planning a wide range of activities and entertainment for this three day celebration.

At the Homecoming Opening Ceremony, the alumni association was proud to award our very first Distinguished Alumni Awards to six of our accomplished alumni. These prestigious awards were presented to UCC alumni who have made significant contributions in areas of athletics, education, professional development, community service, arts & culture, public service and service to the university college.

The Alumni Association was also instrumental in leading the way to launching **Chapter 2000 - UCC's 25th Anniversary Library Campaign**. As new technology expands access to UCC courses and programs, library resources must be renewed and improved to keep up with the overwhelming demand for a technologically attuned library collection. While \$10 million is required to bring UCC's library collection up to university standards, a **goal of \$3 million** was established for this capital campaign. As the campaign comes to a close in 1996, the alumni association will maintain contact with donors who have given so generously to the library campaign.

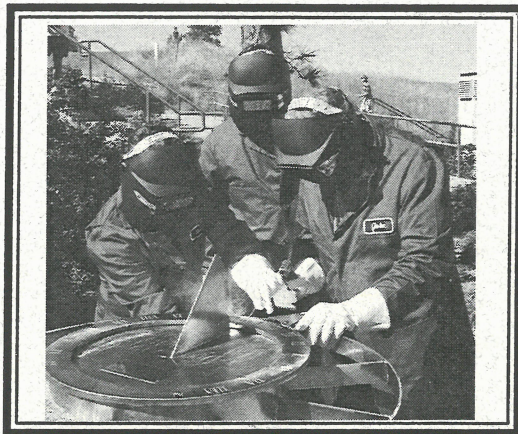

**Our endowment fund reached \$60,000 this year.** This shows remarkable support from our alumni and donors since the establishment of the fund in 1992. From endowment fund interest, the association awards 6 scholarships and bursaries each year to deserving students and alumni. On behalf of the alumni association and recipients of these awards, a heartfelt thank you to all.

With the reality of reduced government funding, our association is developing new strategies to maintain the programs and initiatives already in place. The association relies heavily on the advise and direction received from our Board of Directors and I would like to thank them and others who have contributed to the success and achievements we have seen this year.

Laurie Clarke  
Executive Director

## REVIEW ENGAGEMENT REPORT

To the Directors of The University College  
of the Cariboo Alumni Association

We have reviewed the balance sheets of the Operating, Fundraising and Library Campaign Funds of The University College of the Cariboo Alumni Association as at March 31, 1996 and the statements of revenue and expenditure and equity for the year then ended. Our review was made in accordance with generally accepted standards for review engagements and accordingly consisted primarily of enquiry, analytical procedures and discussion related to information supplied to us by the Association.

A review does not constitute an audit and consequently we do not express an audit opinion on these financial statements.

Based on our review, nothing has come to our attention that causes us to believe that these financial statements are not, in all material respects, in accordance with generally accepted accounting principles.

## THE UNIVERSITY COLLEGE OF THE CARIBOO ALUMNI ASSOCIATION Notes to Financial Statements (Unaudited)

Year ended March 31, 1996

The Society is incorporated under the Societies Act of British Columbia and its principal activity is to promote, develop and maintain a network for the mutual benefit of The University College of the Cariboo, its alumni, students, staff and community.

### 1. Significant accounting policies:

#### (a) Basis of presentation:

The Society segregates the Fundraising and Library Campaign Funds from general operations for management purposes. A statement of changes in financial position is not prepared and other than that exception, the financial statements are prepared according to general accepted accounting principles.

The Operating Fund of the Society is used to account for administrative, operational and capital costs.

The Fundraising Fund is used to account for donations in cash and in kind from benefactors, merchandising and other fund raising activities. The funds, net of direct costs, have some restrictions on use and are being applied based upon Board direction.

The Library Campaign Fund is used to account for grants received from The University College of the Cariboo for administrative costs required to run the Library Capital Campaign, an initiative of the Alumni Association. Any funds not used for the campaign are due back to The University College of the Cariboo.

#### (b) Equipment:

Equipment is stated at cost. Depreciation is provided on the straight-line basis over three years with one-half the rate used in the year of acquisition.

#### (c) Donations:

Cash donations are recorded as income when received. Donations received in kind are recorded at fair market value.

### 2. Equipment:

	1996	1995
Cost	\$ 4,986	\$ 4,986
Accumulated depreciation	4,986	4,986
	\$ -	\$ -

### 3. Comparative figures:

Certain 1995 comparative figures have been reclassified to conform with the presentation adopted for 1996.
