# UCC Actors Workshop Presents

# Whose Life is it Anyway?

by Brian Clark

## THE UCC ACTORS WORKSHOP THEATRE

Now in its eleventh year of producing live stage dramatic performances, **THE UCC ACTORS WORKSHOP THEATRE** is proud to present Brian Clark's controversial play.

The playwright explores the contentious issues surrounding an individual's right to die in a sensitive and thought provoking manner.

The workshop format is primarily designed to enhance the educational environment for our theatre students by providing them with opportunities to explore their craft in front of the viewing public. The actors in this production come from the second, third and fourth year acting classes, and technical assistance is provided by students in the technical theatre class.
