

THE CARIBOOSTER

Volume 19 PAGE 1

SOUTH EAST ASIAN TOUR

The Southeast Asia Educational Travel Program being arranged by Cariboo College is meeting a very favourable response. Charles Mossop, Instructor in Anthropology and Asian Studies at Cariboo and organizer of the Program said today that there have been sufficient applications to insure that the Program will go ahead as planned: "We have participants from Kamloops, Savonna and Williams Lake and they are all people of widely differing ages, personal backgrounds and interests, he said. Mr. Mossop added, however, that there are still some places available in the group and he would welcome further inquiries from people in the College region.

The program involves a series of lectures and seminars on Southeast Asia beginning in February, 1975. On May 4, 1975 the group will leave Kamloops for a three-week tour of Southeast Asia visiting such places as Hong Kong, Singapore, Indonesia, Bali, Malaysia and Thailand. The cost of the program is \$1695.00 and this includes virtually everything except some meals and expenses of a personal nature. Mr. Mossop pointed out that this figure represents a considerable saving over the cost of taking such a tour as an individual.

An itinerary and full brochure are available and interested persons should contact Mr. Charles Mossop at Cariboo College. C.W.F. Bishop, Director of Student Services and College Affairs.

Penal Changes?

By David Marrelli

The English department of B.T.S.D. program has been occasionally holding debates. The debates have covered many topics, ranging from Capital Punishment to Mercy Killing. The classes compete for the "Nick Martin Trophy", donated by the welders.

A very informative and challenging debate took place between two B.T.S.D. classes Friday Nov. 29. Jim Bray's class took the negative approach to the question of changing the penal system. The opposition, Al Buchanan's class supported the question.

The debate proved terribly interesting, because of first hand information. A.D. Buchanan's team consisted of three inmates from K.R.C.C. Penitentiary now on Educational Release. The other member was very outspoken in terms of changes. Also from Jim Bray's team came an ex-riot squader, who participated in holding down the Kingston Penitentiary Riot.

To say the least, the debate was revealing. The inmates introduced information about food and living conditions at the prison. A detailed report on punishment for misconduct was also presented by an inmate Tim Quinn, the ex-member of the riot squad, stated that upon visiting Kingston Penitentiary, he felt that the food was excellent and he saw no need for changes, at least not for the better. John Charlie, David Marrelli, Ed Yetter and Dan McKinnon argued that here at K.R.C.C. it was a different story.

The crowd of about sixty students proved to be enthused and very interested in the debate. The decision on whose presentation was superior was done democratically by students voting by secret ballots.

The ultimate decision gave A.D. Buchanan's class, the team wanting penal changes, an unanimous decision over Jim Bray's team. The crowd's opinion during the debate swayed in support of the inmates, who presented their case clearly and well. Jim Bray's team is to be commended although they tended to attack the statements of the opposition rather than to present facts of their own. These debates draw great attention in the B.T.S.D. department, and prove helpful in improving oral English ability.

Team members were, the victorious team of John Charlie, David Marrelli and Ed Yetter, the inmates and Dan McKinnon a very impressive public speaker. The opposing team consisted of Tim Quinn, Joan Hall, Al Ackles, and Kieth Woods. A debate on the "Five Year Marriage Contract" will be held Wednesday Dec. 11.

MEET THE STAFF

A new face has appeared at Cariboo College in the form of Rona Achilles. Rona arrived here about two weeks ago from Toronto and will be teaching three introductory Sociology courses.

Rona received her B.A. at the University of Waterloo and her M.A. at McMaster University in Hamilton Ontario. She taught for three years including one year in field studies.

Rona enjoys jogging and doing Yoga, but her special interests are in Canadian and Women's Studies. Her engrossing library will attest to this.

Rona has good first impressions of Kamloops and especially enjoys the mountains. Talking with her was a comfortable and friendly experience and I'm sure she will contribute a great deal to the (already) amiable Social Science Department.

FINAL EXAMINATION SCHEDULE
Fall Semester 1974

74.3

November 29th, 1974.

Office of the Registrar

EXAMINATION PERIOD: Fall Semester 1974 - December 9th - 20th, Inclusive.**CONFLICTS:** Pick up instructions for writing reported conflicts from the Registrar.**CHANGES TO SCHEDULE:** All changes made since the preliminary schedule are posted are marked * and are underlined.**COURSES MARKED TBA:** For courses marked TBA, see your instructor concerning details**MISSED EXAMINATIONS:** If you miss an examination due to illness, contact your instructor and file a medical certificate with the Registrar within 48 hours of the scheduled time of the examination.**READ THIS TIMETABLE CAREFULLY:** Be sure that you understand when and where your course and section write.**STATEMENT OF GRADES:** Grades will be mailed to Your HOME ADDRESS. If you wish that your marks be mailed to your local or other address, please leave instructions with the Registrar's office immediately. Re-registration information will be included with your statement of grades.
Registration Day for Winter Semester is Friday, January 3rd, 1975.**FINAL EXAMINATION SCHEDULE:**

A = 9:00 AM					B = 2:00p.m.					C = 7:00 p.m.

ASK LEROY CLASSIFIED

PAGE 3

Dear Leroy,

I work in an office as secretary. When it is coffee break I take mine with out fail, this one girl in the same office always turns to me and says, "You sure don't miss a coffee break. This really bugs me. Can you suggest anything to say?"
Speechless

Dear Speechless,

Next time she tells you, you don't miss a coffee break. Tell her she sure don't miss too much herself.

Dear Leroy,

What do you think of our generation GAP?
Curious

Dear Curious,

I don't think there is one. Everyone is doing the same thing.

Dear Leroy,

This girl and I are both trying to impress the same guy. She says an does everything I do? And I don't want to let him go? What do you suggest?
Opponent

Dear Opponent,

What makes you think you have him. Quit trying to impress him. Maybe he'll notice you.

Dear Leroy,

I am going with a very stubborn guy. He is always playing hard to get. We have been going out for about a year. We broke up twice. We've been steady for 4 months. But when were together he acts like a stranger. I know he cares; because he has told me. What do you suggest?

In the Dark

Dear In the Dark,

I would suggest you inform him, that you both have met.

SPORTS

HOCKEY:

The Vernon Jr. B's Screaming Eagles defeated the Cariboo College Chiefs 7 - 4 on Friday night. Vernon led 1 - 0 after one period and 3 - 2 after two periods. The Chiefs held a 4 - 3 lead with five minutes to go. Then Vernon came on strong and scored four goals to win 7 - 4. Scoring for the Chiefs were Mark Strate, John Anhorn, Randy Takenaka, and Greg Jackson. The Chief's don't play until they go to Sacramento on Dec. 18th.

BASKETBALL:

The Cariboo College Boys and Girls Basketball team tood part in a Basketball tournament held at Kamloops High. The girls defeated the Red Angles in a thriller. The game went into three overtime periods, before our girls finally pulled out a wing. Leading the way for the College was Donna Colman who last year starred for the Red Angles.

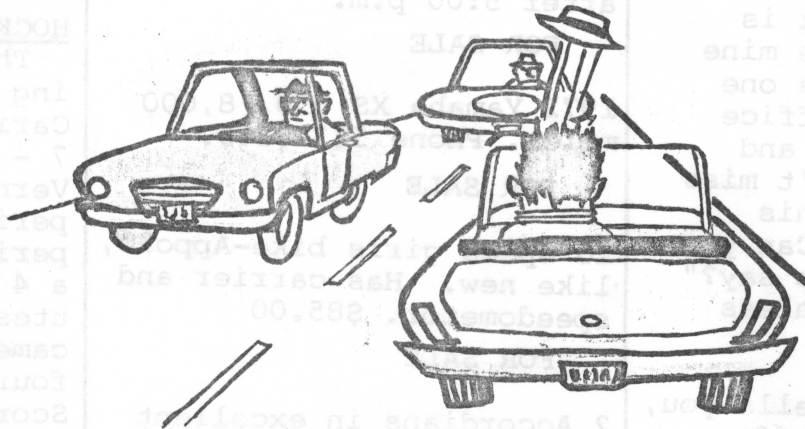

BOYS:

The Boy's didn't fare as well as the girls did. They lost in the final game to the Kamloops High Red Devils. Our boys were lea leading most of the way but the Red Devils came on strong in the last quarter to pull out their victory. The College were led by two former Red Devils Mike Ledoux and Doug Tidball.

The Winner of the Manitoba Mickey that the hockey team were selling tickets on was won by Mr. Jack Hicks. Lucky winner as he has all the liquor he needs for Christmas. Thanks to all who helped sell tickets to send the hockey team to Sacramento.

Why are Newfie women so big and strong?
(From raising dumb-bells)

DRIVING EMERGENCIES

You're behind the wheel of your car, driving at a reasonable speed for the existing conditions. Suddenly, a car from the opposite traffic lane swerves directly into your lane speeding toward you on a collision course.

WOULD YOU KNOW WHAT TO DO? WOULD YOU PANIC? WOULD YOU DO THE WRONG THING? WOULD YOU CHOOSE THE RIGHT DEFENSIVE ACTION? CAN YOU MINIMIZE THE ODDS?

The Cariboo College Driver Education Program offers refresher in car training for people with a Driver's Licence who are interested in extra lessons.

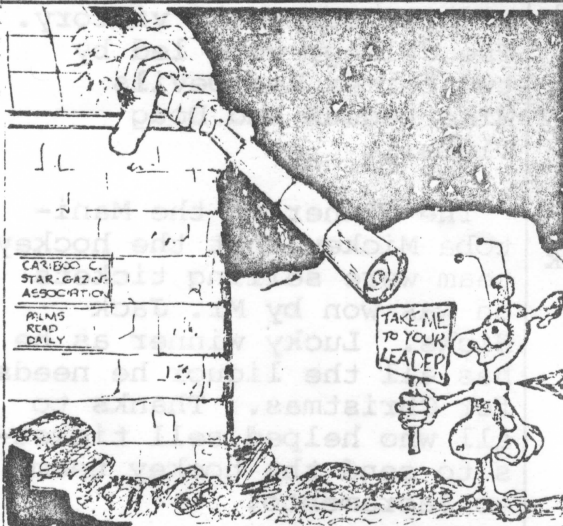

Lessons are available in cars equipped with automatic or standard transmission.

For further information telephone 374-3661.

Complete Driver Education courses (25 hours classroom and 8 hours in-car) will be offered on the following dates.

December 9, 1974	FEE: \$85.00	Kamloops Senior Secondary
January 7, 1975	FEE: \$92.00	Kamloops Senior Secondary
January 13, 1975	FEE: \$92.00	Kamloops Senior Secondary
February 11, 1975	FEE: \$92.00	Kamloops Senior Secondary
February 17, 1975	FEE: \$92.00	Kamloops Senior Secondary

For further information telephone 374-3661.

Seeing is believing

Observatory

On Tues. Dec. 3, Al's class went on a muddy field trip to the Observatory, under the supervision of Dr. R. Cobb. Dr. Cobb explained the function of the telescope located under the rotating silver dome. He also showed us the pictures taken of stars, moon, and other planets. Dr. Cobb answered many questions about the giant telescope and stars and planets in general. Thanks to Dr. Cobb for making our trip possible and thanks to the janitors

for cleaning the halls after we tracked mud on them.

NOTICE

There is a V.D. and Birth control clinic at the Indian Friendship Centre at 378 Fourth Ave. Every Tuesday night 7-9 p.m.. Information and treatment available.

EVERYBODY WELCOME.

TRAINEES

Training sessions are now in progress, Tuesday evening at 7:30 p.m. and will continue for 5 weeks.

The Crisis Centre

POLITICAL FORUM

"We have enough M.P.'s already" says Don Couch, local P.C. Candidate in the last federal election, taking issue with the Liberal Government's latest redistribution proposal.

After meeting with B.C.'s 13 P.C. M.P.'s here in Kamloops a week ago, Don had a preview of the arguments which arose in the House of Commons during the past week.

The B.N.A. Act requires that after each of Canada's decennial censuses (last one was in 1971) the seats in the House of Commons are redistributed to reflect population changes. The proposal made in 1972 would add more seats to Ontario and B.C. and take away from several provinces including Quebec.

P.C.'s allege that for political reasons, the Liberals have come up with a new proposal which would add 3 seats to Quebec's 1972 allowance, but only 1 more to B.C.'s. Quebec is, of course, the key to the Liberals strength, and B.C. is now becoming a P.C. stronghold.

The latest Liberal move would add 16 more seats to the existing 264 by the next federal election. It is projected there would be 352 in the year 2001.

"Having become fairly involved in politics the past couple of years, I agree with the suggestion that Canada is overgoverned now and does not need to increase the size of its government" said Don.

The latter is essentially the philosophy of the Vancouver Women's Health Booklet. It states "Women, especially, often feel powerless and unhappy with their doctors. They see getting good medical care as a matter of luck."

The results of a health survey in the Vancouver Area have allowed A Woman's Place (publishers of the booklet) to: compile a Directory of Doctors (recommended by other women), assess the health needs of women, and summarize the health facilities available. (From hospitals which encourage mother-father participation in natural childbirth, to free clinics for V.D. treatment, and recommended reading material.) Also included in the booklet are short, informative summaries and some illustrations of I.U.D.'s, tubal ligations, child-birth practices, nutrition, and much more.

It is the collective effort of many women at:
A WOMAN'S PLACE,
1766 WEST BROADWAY,
VANCOUVER, B.C.
(cost 50¢)

MEET THE STAFF

PAGE 5

Hi ! I'm a counsellor. I'm here to help when you want help, with information with directions, with decision-making, maybe just with friendship.

But I have a plea. Please don't come to me to report your failures expecting that I'll chastise you into studying better. I cannot make you do what you do not wish to do. I will not intercede on your behalf when you have done no work.

If you fail, you're welcome to look with me at remaining alternatives. I do not scorn a person because he failed a course. There are many reasons.

But when you come, treat me also as a person. I am not an advice machine, or a persuading machine or a punishing machine. I'm only a human named Nadia.

JOURNALIST

This week the newspaper is losing one of its most ardent contributors, Sue Bolton. She is going to Mexico for a month or so. Sue certainly will be missed, especially by the newspaper staff along with me and the rest of the class in Room 152. Have a good time Sue and we hope you will be back for next term.

ANYONE GOING TO CALGARY?

I need a ride desperately from Kamloops to Calgary to arrive in Calgary in the early P.M. or A.M. Dec. 18th. I would like to leave after 5:00 p.m. on the 17th or early A.M. on Dec. 18th. I will pay half the gas fare. If you are heading that way, and wouldn't mind a passenger, please phone 374-0247 and ask for Phyllis.

FIRST COMMANDMENT OF THE HIPPIE TEN:

"If it feels good, I'll do it."

WOMEN

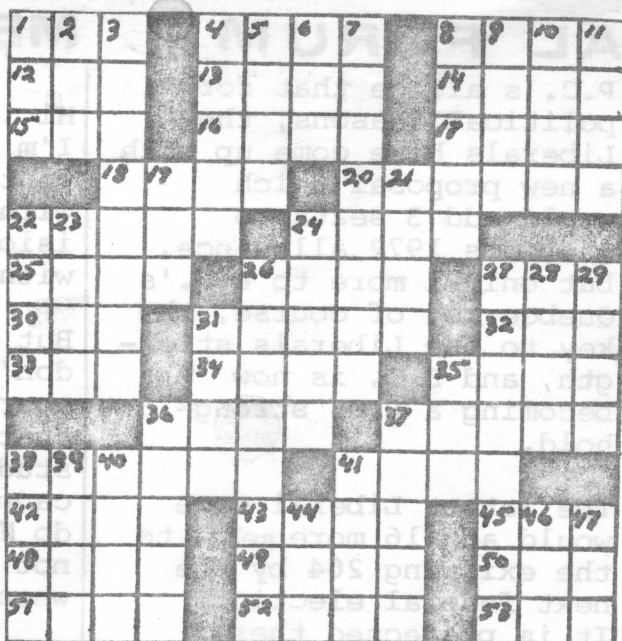

Stop for a moment and think about your relationship with your doctor. How much help does a woman expect when she discusses her gynecological problems with her physician? With what respect do doctors regard their female patients' ills?

An important omission, common to many doctors, is failure to explain what is going on inside their patients body. Not much information is made available (by doctors) about the controversial issues. We are expected to have faith in the prescribed treatments and birth control methods.

We should be encouraged to read books such as Our Bodies Our Selves and Free and Female, which tell us the unbiased biological facts.

Instead we depend on the painful experience of trial and error, and other women's personal experiences. Often more reliable advice can be had from someone who has "been through it".

PUZZLE;

The Careless Jeweller

On the last occasion I took my watch to a Jeweller to be cleaned, he made a careless mistake. He had removed the hands, and in replacing them he put the minute hand on the hour hand spindle and vice versa. Shortly after I reclaimed the watch I found the hands were taking impossible positions. But eventually they reached a point where they told the time correctly when read the normal way.

RECIPES

One Pot Dinner

- 2 1/2 cups of narrow egg
1 - 10 oz. of mushroom
1/2 - 3/4 lbs. of ground beef (hamburger)
1 tps salt
1/4 tps pepper
5 1/2 cups of water
1 small onion - diced

Fry onion and ground beef untill light brown. Add the water, boil, add the noodles, salt, pepper, cook until tender (uncovered) Add mushroom soup. Heat until hot. Serve with buttered rolls or toast.

Weather Report

We will experience light showers, snow in the higher elevations, cloudy with intermittent sunny periods.

DEADLINE

This is directed to all who may be concerned about articles and news items. All news items should be submitted before 10:00 o'clock A.M. on any Tuesday. This makes it easier for our staff and avoids the last minute rush. Your co-operation will be greatly appreciated by all. Thanks again,
