Dear Mr. Stretch:

At this time, I wish to express the appreciation of the Cariboo College Council and its Administration for the work you and your Executive have done on behalf of the old Students' Association Council and the new Cariboo College Student Society.

You and your Executive took office under the most difficult circumstances faced by any Executive in the history of the Students' Association Council at Cariboo College. In the face of great difficulties, you took an organization from the state of severe disorder and transformed it into a strong and viable body to represent the interests of Cariboo College Students. Your major achievement was the termination of trusteeship and the incorporation of the new Cariboo College Student Society.

I wish you and your Executive well in the future and trust that you have all profited from the sometimes trying experiences of student leadership.

Best wishes for all of you in the future.

Yours sincerely,

L. PERRA,
Acting Principal.
