NEWS RELEASE

FOR IMMEDIATE RELEASE

Charles W. Brewster, President of Cariboo College, is pleased to announce the appointment of Margaret Russell as Information and Public Relations Officer effective May 1, 1986.

Mrs. Russell has been with the College since 1977 and during that time has worked as Secretary to the Bursar and for the past seven years as Secretary to the Vice-Principal Administrative and Human Resources. In her latter position, she has been very involved with information services and public relations and is well-known within the College and throughout the community.

Margaret and her husband John have three children - Ian, Lorraine and Jamie, all of them having attended Cariboo. Ian went on to UBC to become a mechanical engineer. Lorraine transferred to Olds College to become an animal health technologist and later taught at Cariboo once that program was established here. Jamie has completed the university transfer sciences program and for the past two years has played on the Cariboo College Chiefs hockey team.

Brewster said, "The College has been concerned for some time about improving many of its information and communications services. We are delighted that Mrs. Russell has taken on this key staff role. As we begin to review the recommendations of our self-study, we will be shaping a number of jobs including Mrs. Russell's to address our total needs."
