NEWS RELEASE #1986/9.3

FOR IMMEDIATE RELEASE

September 8, 1986

On Friday, September 5, Claude Richmond, M.L.A., presented, on behalf of the Expo '86 Legacy Committee, a cheque in the amount of \$166,666 to Cliff Neufeld, Executive Director of the Cariboo College Foundation.

This cheque represented the first of three Expo Legacy Fund disbursements to assist in the development of the community Playing Fields Project at Cariboo College. The long-range goal of the project is to provide the Kamloops community with a track and field facility equipped to host a wide range of national-level sports events.

Initial site surveying and preparation were completed in June, and, during the next few months, a Technical Advisory Committee of community representatives will be working with architects and engineers to prepare a detailed construction plan and cost estimate for the entire development.
