NEWS RELEASE #1986/7.2

FOR IMMEDIATE RELEASE

July 14, 1986

David Fox, Director of Learning Resources, has resigned from his position at Cariboo College in order to take up the duties of Systems Librarian at the University of Saskatchewan in Saskatoon.

Fox, who has been employed at the College since October, 1978, and who was President of the Council of Post-Secondary Library Directors of British Columbia from 1981 to 1983, is nationally recognized for his leadership in computer applications in libraries.

In 1984 Fox implemented an on-line circulation system at Cariboo College and in 1985 followed up with an on-line card catalogue system which is unique in the province. This system enables the College's computer users to have access to the Library's card catalogue via the VAX computer. Fox was responsible for setting up this innovation which other colleges in the province are interested in following.
