NEWS RELEASE #1986/7.1

FOR IMMEDIATE RELEASE

July 3, 1986

Charles W. Brewster, President of Cariboo College today announced the opening of the Cariboo Business Development Centre. The C.B.D.C. will provide a variety of business development and educational services to meet the needs of both existing business and potential new business developers. The manager of the new facility, Ken Danchuk, explained, "The C.B.D.C. is a place where people can learn to improve their business performance, or, if just starting out, learn how to launch a successful business enterprise".

Located in the Old Firehall #1, with the Chamber of Commerce and the Thompson Nicola Manufacturers' Association, this new community service will avoid duplication of effort, be more cost-effective, and more responsive to facilitate significant economic development and business expansion in the Kamloops region.

For further information on the C.B.D.C. program, contact Ken Danchuk, Manager, who states, "We are looking forward to providing an entrepreneurial atmosphere where business people with common problems can make contact with those who have solutions".
