## Visitor Parking

Starting next Monday (Oct. 5) the expanded visitor parking areas will be controlled by meters. The meter rate is 25¢ for the 30 minute period.

To meet expanded needs for short-term visitor parking, there are now a total of 16 spaces in three locations: the original visitor parking area in the traffic circle outside the main building; in the lot behind the Library, close to the cafeteria; and in the staff lot on the other side of the cafeteria, near the motorcycle parking areas.

Like regular parking lots, the meters are in effect from 8 a.m. to 5 p.m. weekdays, and there's no charge on evenings, weekends or holidays. Courtesy parking permits are NOT valid in meter spaces.
