The University College of the Cariboo Foundation

The foundation is a non-profit society created to raise and manage funds and receive gifts both to support the objectives of the University College of the Cariboo and to enhance the educational opportunities of its students. These objectives are accomplished through the efforts of a volunteer Board of Directors, the Foundation staff and community supporters.

Inspired by a vision of academic and instructional excellence, the charter members of the Foundation established the framework for an independent organization in 1982. From its inception, the Foundation has been actively involved in the promotion of University College programs and in the support of worthy students. As a registered society, the Foundation has been granted the privilege of providing receipts for income tax purposes to its donors.

The Foundation awarded \$88,000 in scholarships, bursaries, and endowments at the 1990 Awards Ceremony. Over the past eight years hundreds of students have been assisted through gifts funded by generous individuals, organizations, business and corporations. To become a donor and support the future of our community by providing "a solid foundation to growth in education" please contact:
