University Regalia

Regalia originated in the monasteries of the Middle Ages. At that time, university faculty were men of religion who wore the habit of their Order when teaching. Over time, their garments came to identify their university. Regalia colours often matched those of the university patron, or of the city in which the university was located.

In the early times, the University mace had a dual purpose: it not only symbolized rank but also was used to protect people of authority.

University of British Columbia Academic Regalia and Mace

Regalia

At UBC the undergraduate's gown is black and of the ordinary stuff material; the yoke is edged with khaki cord. The Master's gown is similar but lacks the cord.

The colours for the degrees vary from University blue (B.A.), white with cord of University blue (B.Ed.) to light blue (B.Sc.) and 32 other variations.

The Bachelor's Hood is edged with the distinctive colour. The Master's hood is the same as the Bachelor's, except that it is lined with the distinctive colour. The regalia of the Ph.D. consists of a gown, Cambridge style, of maroon silk with front facing-panel and sleeves of University blue with gold piping; a hood, Cambridge pattern, of blue silk outside and gold lining; a cap, decanal bonnet, of maroon silk with gold cord and tassel.

Mace

Made of native B.C. yew, the mace was designed and carved by George Norris. The copper trimming was designed and prepared by Dr. William Reid in Native Indian designs. It was first used at the Fall Congregation in 1959.

Simon Fraser University Academic Regalia and University Heraldry

Regalia

Simon Fraser regalia combines the red and royal blue of the of the Clan Fraser. (The University motto "nous sommes prêts", or "we are ready", parallels the Clan's "je suis prêt")

Heraldry

The University Coat of Arms was granted to the University in 1965 by the Lord Lyon King of Arms.

The Coat of Arms was derived from that of the Clan Fraser. The name Fraser is said to have come from the French word "fraises", meaning strawberries, hence the shield and flag each include the strawberry flower motif.

The mace was commissioned by the University architects, Erickson-Massey, and was presented to the University at the opening ceremonies on September 9, 1965. Pieces of cut and polished jade, which were taken from the University's jade boulder in the reflecting pool, were set in silver by its designer, Haida artist Bill Reid. The mace was carved from two hundred year old yew, gathered on Burnaby Mountain the 1940's.

University of Victoria Academic Regalia and University Mace

Regalia

The red hood worn by the candidates in Arts recalls the early affiliation with McGill University, the gold hood (Science) and the blue hood (Education) the later affiliation with The University of British Columbia. Blue and gold have been retained as the official colours of the University. Both the bachelors' and masters' hoods follow the Aberdeen pattern but the masters' hoods are trimmed in black velvet. The doctoral hood, which is made in the Oxford style, is red with blue lining and gold trim. The honorary graduates' regalia is predominantly red.

Mace

The UVic mace was designed and crafted by Jefferies Silversmiths, a Victoria company. The shaft is made from native fir and the weighted head (reminiscent of the weapon of old) is of silver over copper. Encircling the rim of the head is a row of dogwood blossoms crowned with a raised hand holding aloft a lighted torch. The coat of arms is engraved on the side of the head.

Congratulations from The University College of the Cariboo Foundation

The Foundation Board of Directors and members join in celebrating the academic accomplishments of the graduating class of 1993. We extend our warmest wishes for your new futures.

The Foundation was created to support the objectives of the University College of the Cariboo and to enhance the educational opportunities of its students. As a non-profit society, the Foundation raises and manages funds and also receives gifts on behalf of the University College. These objectives are accomplished through the efforts of a volunteer Board of Directors, the Foundation staff and community supporters.

Over the past eight years the Foundation has grown from a small support organization to one of the major sources of financial aid for students. The Foundation endowment fund balance is greater than \$1,000,000.00. This fund provides the much needed scholarships and bursaries for our students, in perpetuity. In the past year the Foundation has awarded a quarter of a million dollars to deserving students. The generous support of regional and community donors validates our students' achievements. The Foundation will endeavor to increase the financial assistance it provides for the future career, trade, technical, developmental and academic leaders of our community.

Please remember the University College of the Cariboo as you pursue your careers. The annual campaign takes place every fall. Please encourage your employers or colleagues to support life-long learning at UCC.

To become a volunteer or to support the future graduates of UCC, please contact:

The University College of the Cariboo Foundation

Greetings from The University College Alumni Association

The Alumni Association and its members congratulate the graduates honoured today and proudly recognize their academic achievements.

The Alumni Association has been established to assist graduating students in maintaining a network with fellow students, faculty, and the University College itself. By sponsoring special events, programs, and a newsletter, the association will endeavor to keep alumni current with the new developments and affairs of UCC. As well as serving the alumni, the members of the Alumni Association offer services, programs and financial assistance to students currently attending the institution.

As the newest members of the University College alumni, we invite you to become involved in your Alumni Association. Together we can make a strong and effective organization and build an increased sense of pride in the University College of the Cariboo.
