UNIVERSITY REGALIA AND MACE

Regalia

Regalia originated in the monasteries of the Middle Ages. At that time, university faculty were men of religion who wore the habit of their Order when teaching. Over time, their garments came to identify their university. Regalia colours often matched those of the university patron, or of the city in which the university was located.

Mace

In the early times, the university mace had a dual purpose: it not only symbolized rank but also was used to protect people of authority.

Simon Fraser University Regalia, University Heraldry and Mace

Regalia

Simon Fraser regalia combines the red and royal blue of the Clan Fraser. (The University motto "nous sommes prêts", or "we are ready", parallels the Clan's "je suis prêt").

Heraldry

The University Coat of Arms was granted to the University in 1965 by the Lord Lyon King of Arms.

The Coat of Arms was derived from that of the Clan Fraser. The name Fraser is said to have come from the French word "fraises", meaning strawberries, hence the shield and flag each include the strawberry flower motif.

Mace

The mace was commissioned by the University architects, Erickson-Massey, and was presented to the University at the opening ceremonies on September 9, 1965. Pieces of cut and polished jade, which were taken from the University's jade boulder in the reflecting pool, were set in silver by its designer, Haida artist Bill Reid. The mace was carved from two hundred year old yew, gathered on Burnaby Mountain in the 1940's.

University of Victoria Academic Regalia and University Mace

Regalia

The red hood worn by the candidates in Arts recalls the early affiliation with McGill University, the gold hood (Science) and the blue hood (Education) the later affiliation with The University of British Columbia. Blue and gold have been retained as the official colours of the University. Both the Bachelors' and Masters' hoods follow the Aberdeen pattern but the Masters' hoods are trimmed in black velvet. The Doctoral hood, which is made in the Oxford style, is red with blue lining and gold trim. The honorary graduates' regalia is predominantly red.

Mace

The University of Victoria mace was designed and crafted by Jefferies Silversmiths, a Victoria company. The shaft is made from native fir and the weighted head (reminiscent of the weapon of old) is of silver over copper. Encircling the rim of the head is a row of dogwood blossoms crowned with a raised hand holding aloft a lighted torch. The coat of arms is engraved on the side of the head.

University of British Columbia Regalia and Mace

Regalia

At UBC the undergraduate's gown is black and of the ordinary stuff material; the yoke is edged with khaki cord. The Master's gown is similar but lacks the cord.

The colours for the degrees vary from University blue (B.A.), white with cord of University blue (B.Ed.) to light blue (B.Sc.) and 32 other variations.

The Bachelor's Hood is edged with the distinctive colour. The Master's hood is the same as the Bachelor's, except that it is lined with the distinctive colour. The regalia of the Ph.D. consists of a gown, Cambridge style, of maroon silk with front facing-panel and sleeves of University blue with gold piping; a hood, Cambridge pattern, of blue silk outside and gold lining; a cap, decanal bonnet, of maroon silk with gold cord and tassel.

Mace

Made of native B.C. yew, the mace was designed and carved by George Norris. The copper trimming was designed and prepared by Dr. William Reid in Native Indian designs. It was first used at the Fall Congregation in 1959.

The University College of the Cariboo Regalia

Red and purple, the University College of the Cariboo's official colors, reflect both the natural terrain of the area and new boldness indicative of the University College.

Degree Regalia

At UCC the Bachelor's hood is styled in the Aberdeen Full Shape pattern with an ebony black outer shell lined with cardinal red and a bishops purple chevron with the hood having a two inch trim in the respective degree color, all of pilgrim material. The trim colors for UCC degree hoods identify each degree, e.g. Bachelor of Natural Resources has green trim.

New hoods will be introduced for each degree as UCC confers its own degrees. UCC hoods were first introduced at the 1996 Convocation when UCC graduated its first degree graduates in the Bachelor of Natural Resource Science program.

The gown is black and made of pilgrim material; the mortar board is black with a red and purple combination tassel showing a purple cord.

Certificate/Diploma Regalia

The V-stole worn by the certificate/diploma graduates also reflects the University College official colors. It is made of pilgrim material in bishops purple and cardinal red. The gown is black and also made of pilgrim material. The V-stole was introduced at the 1996 Convocation ceremony in celebration of UCC's 25th anniversary.

The University College of the Cariboo Medal Winner Selection Process

Recipients of medals at Convocation are chosen on the following basis:

Degree Medals

These medals are essentially based on academic performance, i.e. the graduating student with the highest grade point average in each degree.

Degree medals include Bachelor of Arts, Bachelor of Business Administration, Bachelor of Education, Bachelor of Natural Resource Science, Bachelor of Science, Bachelor of Science in Nursing and Bachelor of Social Work.

Governor General's Academic Collegiate Bronze Medal

This medal is awarded to the top-ranking student graduating from a two or three year program.

Lieutenant Governor's Silver Medal

This medal is awarded to a top-ranking student graduating from a one-year program who has actively participated in college and/or community affairs.

The University College of the Cariboo Valedictorian Selection Process

The Valedictorian is a student chosen to represent the graduating student body and to address the graduates and guests at convocation. At UCC the Valedictorian is chosen from one of three program groupings: career technical, academic (includes degrees) or vocational, on a rotating basis.

The criteria for selection of a Valedictorian can vary among institutions. At UCC our Valedictorian is chosen using the following criteria:

- must be a graduating student;
- must possess a B average or better;
- has displayed community involvement;
- the choice has the support of classmates.

Nominations are made to the Deans' committee which makes the final selection.

We feel the combination of academic performance and the demonstration of community involvement provides us with a well-rounded student, representing his or her graduating class and the highest ideals of UCC.

Greetings from the University College of the Cariboo Alumni Association

The UCC Alumni Association and its members congratulate the graduates honoured today and proudly recognize their academic achievements.

The UCC Alumni Association's mandate is to assist graduating students in maintaining a network with fellow graduates, students, faculty, and the University College itself. By sponsoring special events and programs for graduates, as well as publishing the bi-annual NETWORK newsletter, the Association endeavours to keep alumni current with new developments and affairs at the University College.

The UCC Alumni Association Endowment currently provides numerous scholarships and bursaries for alumni, or children of alumni, attending UCC. As the UCC Alumni Association's newest members, you are invited to become involved in your association. Together we can make a strong, productive organization to serve all UCC graduates, while building an increased sense of pride in the University College of the Cariboo.

The University College of the Cariboo Foundation

The Foundation Board of Directors, members and staff join in celebrating the academic accomplishments of the graduating class of 1997. We extend our warmest wishes for success in your new futures!

The Foundation was created to support the objectives of the University College of the Cariboo and to enhance the educational opportunities of its students. As a non-profit society, the Foundation raises and manages funds and also receives gifts on behalf of the University College. These objectives are accomplished through the efforts of a volunteer Board of Directors, the Foundation staff and community supporters.

The Foundation is celebrating its fifteenth anniversary and has grown from a small support organization to one of the major sources of financial aid for UCC students. The Foundation endowment funds are valued at over \$2.4 million. These funds are designed by donors to provide awards to many students at UCC. The generous support of regional and community donors validates our students' achievements. The Foundation will endeavor to increase the financial assistance it provides for the future career, trade, technical, developmental and academic leaders of our community.

Many graduates have received awards at our annual Awards Ceremony. As alumni or as parents, when asked to consider making a donation to the Foundation or Alumni Association, please remember how important that support was to you, to a classmate or to your child. If you are able to give back to the future graduates at UCC, your legacy will continue.
