

Cariboo College

Communicator

Arelee Strachan Switchboard Receptionist at the computerized switchboard.

Information Network Expands

For some of you, a new face at the College Switchboard is Arlee Strachan. Arlee has quickly mastered the complex computerized switch-board and the names of everyone on campus.

During the very busy Registration time she fields the numerous enquiries which the College receives about programs, locations, people and even bus schedules. Somehow she never loses her 'cool'.

In September, Pat Woodhouse will return to her post as Evening Receptionist. A Notice Board with information on events and locations will soon be located in the main Reception area and another will be set up in the foyer of the Allan Matthews Centre.

A new College Information display case is located in the hallway next to the Cashier's window in the Main building. Watch for photos of recent College events as well as other informational items.

The INFO Calendar of Events on the VAX 780 and 750 computer system is reporting a steadily increasing number of users. Feedback on our first issue of the "Communicator" has been very positive and we are delighted with the number of items which have been coming in ever since. "Keep those cards and letters coming"!

Hockey Grads Win Scholarship

In September, two former Cariboo College Hockey Chiefs will be going to Michigan Technological University in Houghton, Michigan, on hockey scholarships.

Rob Cederberg, two-time Canadian Colleges Athletic Association All-Canadian and Cariboo's 1986 Male Athlete of the Year, and Jamie Russell, 1985 Cariboo Chiefs' Most Improved Player, were scouted at the recent National College Championships in Kamloops.

Coach Terry Bangen is happy to see his players receive deserving recognition and, to his knowledge, this is the first instance of Canadian junior college hockey players transferring to a U.S. college hockey team.

Coach Bangen says, "It is very rewarding and I'm sure Jamie and Rob will do themselves, Cariboo and Kamloops proud". Both athletes were Cariboo College Sports Task Force award winners.

Hockey scholarship winners, Rob Cederberg (left) and Jamie Russell (right) with Hockey Coach Terry Bangen.

The Cariboo College Community was shocked and saddened to learn of the tragic death of Dianne Linfitt on Monday, August 4th. Dianne had been at the College since 1980 and worked in several departments, most recently as a secretary in the Trades and Industrial Training Division. All of us offer sincere condolences to Dianne's family, friends and colleagues.

Faces On Campus

President's Report

On July 25, President Charles Brewster and eight other representatives from universities and institutes in B.C. left on a three-week trade mission to Indonesia, Malaysia, Singapore and Thailand.

This tour is sponsored by the Ministries of International Trade, Science and Post-Secondary Education and its purpose is to look into possibilities of providing technical assistance to these Pacific Rim countries as well to recruit overseas students.

College Budget Update

Funding for 1986/87 has been received in a fragmentary fashion over the period April through June.

Our "base budget" has been supplemented by a total of \$1,086,900 from the Province's \$110 million "Excellence in Education" fund.

Since the "base budget" for 1986/87 was significantly less than that in 1985/86, however, this does not represent a \$1 million increase in funding!

Some of the "excellence" funding has increased our general operating fund; other monies have been for specific purposes as follows:

\$ 80,000 for the Cariboo Business Development Centre,

\$158,000 for the installation of "energy management" equipment on the Kamloops campus,

\$200,000 towards the establishment of an Automated Design and Graphics Centre associated with the CADD program,

\$101,300 for general equipment upgrading.

As well, Cariboo stands to receive a portion of \$2 million which is available to the College system for computing equipment.

Consistent with the Ministry's goal of increasing the availability of mainframe computers within the College system, this money will probably provide us with a new VAX 8500, allowing one of our 750s to move to a college presently without a central system.

The most recent funding bulletin from the Ministry, on July 8, announced:

\$225,000 for renovations to the Cafeteria, and \$75,000 for general repairs and maintenance.

This was followed by the news that the province's Expo Legacy Fund would be providing \$500,000 to the Cariboo College Foundation to be used for the Playing Fields project. I'll be updating you on the Playing Fields project in the next issue of the "Communicator".

David Cane

Vice-President, Administrative Services

Computer Camp a Great Success

Cariboo College's 3rd Annual Kids Computer Camp was a great success. Some 90 young students, aged 7 - 13, filled all six sessions. Instructor Malcolm Mason says, "These young people enjoy the projects and the program is certainly a lot more than just a baby-sitting service".

Faces and Places

During the summer months the Personnel Department moved to new offices and the expanded space shared with the Communications and Information Processing Division. They are pleased that Pat Howe has joined them.

The following is a list of faculty members who have recently joined Cariboo College. We extend a warm welcome to these new staff members and look forward to meeting them individually during the next few weeks.

Joe Bodor, Welding Instructor - Williams Lake Campus

Ralph Brouwer, Computing/CSOM Instructor

Dr. Gordon Denton, Psychology Instructor

David DiFrancesco, Digital Art and Design Instructor

M. Star Mahara, Nursing Instructor

Dr. Grant Neilson, Animal Health Technology Instructor

Yoshi Nomura, Computing/CSOM Instructor

Dan O'Reilly, Computing Instructor

Doug Retzlaff, Meat Cutting Instructor

Colin Taylor, Physics Lab Demo

Paul Toupin, DAAD Lab Demo

David Scheffell, Anthropology/Sociology Instructor

Dr. Joseph Spuller, Physics Instructor

We also bid farewell and wish the following staff members good luck in their new endeavours: Sai Choo was recently married and has moved to Vancouver; Bill Karney is retiring August 31 and will be taking up a consulting position in Saudi Arabia in the near future. Jim LaCombe who was on a year's leave of absence for the past year, has resigned and will join the faculty at Royal Roads Military College in Victoria.

Prahtiba Maydan has resigned her position in the Computing Department.

'Y' Corporate Membership

In response to a number of requests, the College is offering special corporate memberships to the Kamloops 'Y'.

This membership is open to all full-time staff members and deadline for applications is September 19.

The cost is \$192.00, which is a saving of 20% over the regular rate of \$240.00. For those who are already members of the 'Y', the 'Y' will adjust their memberships on an individual basis.

A block of 40 memberships has been set aside and these will be filled on a "first come, first served" basis. If, by September 19, some spaces are still available, these will be allocated to spouses or family members, again on a "first come, first served" basis.

Brochures containing more information are available from secretaries in the Faculty Offices.

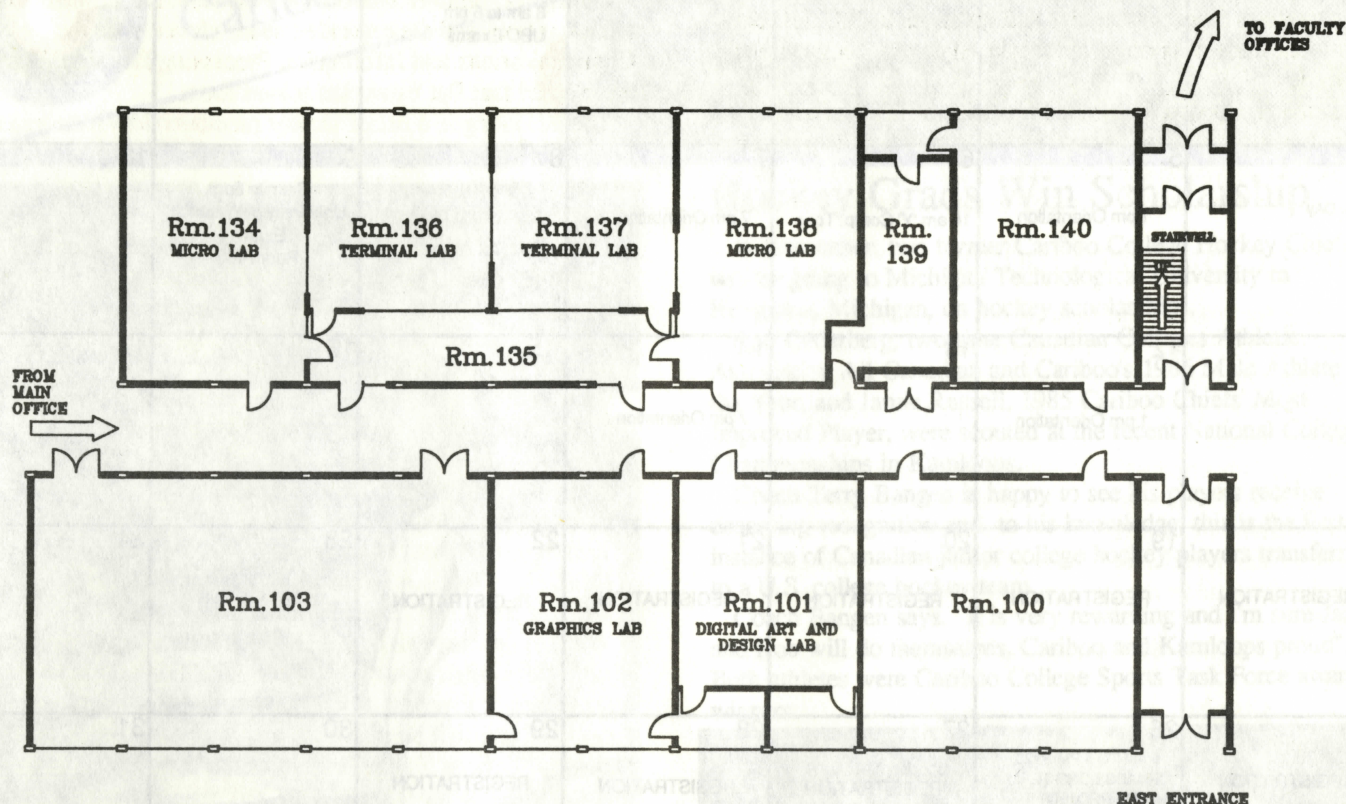

At the same time, Athletic Director, Pat O'Brien, reminds everyone of the College Gymnasium's facilities and the excellent value of the Gym Passes.

Anyone interested in participating in the 'Y' scheme is asked to send in their name and address, with a cheque for \$192 made out to "Kamloops Community 'Y'", to Margaret Russell, prior to September 19.

Campus News

Cariboo College Computer Lab Renovations

This diagram shows the changes to the computer lab set-up on the main floor which were completed during the summer months.

Fall Registration

- Registration will take place August 18 - 29, according to student number. 100 - 150 students are expected to register during each of the scheduled times.
- Wait-lists will be kept for closed sections by the Counsellor in the Boardroom. These lists will be kept as a demand indicator only, with students being advised to contact the appropriate chairperson during the first week of class about vacancies. Students will not be phoned if a new section should open. Wait-lists will be reviewed when new sections are opened. These wait-lists will be sent to appropriate chairpersons on the afternoon of Friday, August 29.
- There will be a need for an advisor to be available from the English and Business Departments during the registration hours, beginning at 09:15. For students registering during August 18 - 29, it would be useful if chairpersons were available in their offices for any enquiries.
- A Section Enrollment Report will be available at the end of each day.
- During the first day of classes (Tuesday, September 2) the Records staff will continue to register students into sections, where space allows, without the instructor's signature. Beginning Wednesday, September 3, a student will be registered into any section only with approval from the instructor, chairperson or director.

The Records Office will not register students in excess of the

original capacities approved by the various educational directors unless a student has a signed "Add" form.

Dennis Mayberry
Manager, Admissions & Records

Orientation Sessions Helpful

Challenge '86 Program Administrator, David Lamb, reports that approximately 200 people attended the Orientations sessions which were held during July and early August.

These orientation sessions gave the students a chance to hear from a Counsellor, learn about Registration procedures and to tour the campus. Feedback indicates that these sessions have answered most of the questions new students have and that the tour was most helpful.

The Cariboo College Communicator is published monthly and is distributed free of charge to faculty and staff.

Upcoming

Cariboo Golf Tournament - September 6 A fun 2-ball tournament will be held on Saturday, September 6. A barbecue will follow in the evening and everyone is invited to attend. Contact Ken Taylor at Local 2423 for more information.

The 7th Annual Sports Task Force Dinner & Dance is scheduled for Friday, October 3. Make plans to attend this popular and worthwhile fund-raising event which contributes so much to the athletic scholar-ships fund for Cariboo's student/athletes.

Other Dates

August 4 to 8 Summer Study Skills Program Room 146
 August 4 to 8 Summer Basketball Camp, Gymnasium
 August 11 to 15 Summer Basketball Camp, Gymnasium
 August 18 to 22 Boys Soccer School, Gymnasium
 August 25 to 29 Coed Soccer School
 August 18 to 21 Provincial Grade 12 Exams, Room 146
 September 6 Cariboo Golf Tournament & BBQ
 November 16 - 22 College Week in Canada

Beefs & Bouquets

Oops! Susie Safford, Chairman, Adult Basic Education Department, reminds us that, since ABE has to live with Reg McNamara, her department should have received the credit for Reg's Merit Award noted in the July issue of the "Communicator"!

Colin James, Chairman of Sciences and Engineering, is pleased to announce that Lyn Paulson received a Merit Award for her outstanding performance.

Congratulations to Nancy Levesque on being appointed to the position of Head Librarian.

Also congratulations to Larry Prins who received a Merit Award in recognition of his initiation of the Continuing Education for Respiratory Therapists (CERT) distance program.

Donna Watson of the Counselling Department will be leaving at the end of August. Donna is getting married and will be moving to New Brunswick. A social will be held in Donna's honour on Friday, August 29 in the Staffroom.
