FOR IMMEDIATE RELEASE

UCC Counselling Department hosts free career development information sessions

KAMLOOPS—UCC's counselling department wants to make career planning more accessible to individuals embarking on a post-secondary experience by hosting two career information sessions March 27 and 28.

Jim Collingridge, Counselling Department Chair, says these two special sessions are open to graduating high school students as well as adults in the community and are designed to provide some tools for making career decisions.

"Students need to know what their goals are to be successful. We are making an effort to see that happen," he said.

The two sessions, hosted in Old Main, OM1611 from 6-8 p.m. each evening, will be moderated by counsellor Linda Sanderson and will consist of a presentation, followed by time for questions. Pre-registration is required as there is room for a maximum of 25 students per session.
